This leadership course by far has been ~~the~~ the most beneficial for me than other trainings. This training made me feel heard and seen in a time so critical and stressful within my professional life. Most "leaders" push the idea of hard-charging no matter your personal feelings or professional integrity. Well-being is absolutely crucial and I appreciate this course for supporting and promoting well-being! Thank you Chief. You were great and I will remember this class for a lifetime.

Thank you for your participation.
