Chief Garcia was excellent. He gave me insight on several things that I need to improve/be aware of. His approach to dispersing the information was superb and well placed. I have heard his presentations before in the Credible Leadership course and it was an honor to have met him in person!

Thank you for your participation.

This course needs to come back to Montgomerie. I know of several people who wanted to register for course but ended up on the wait list. I have encouraged all of my subordinates to take this course to become better officers + eventually better future leaders.

*Good class, would highly recommend for upper level of management as well as lower level. I think it would be very beneficial for lieutenants and above so that they can understand how Saboteurs and Personal Styles affect leadership*

Thank you for your participation.

*It's great for self-help but won't be supported by a controlling command staff.*
